## **PRESS ADVISORY**

Continent 8 Technologies together with the New Jersey Casino Reinvestment Authority (CRDA) will hold a Press Briefing on the opening of their Atlantic City Data Center located within the Atlantic City Convention Center. The Data Center brings a new era of world class technical infrastructure to Atlantic City and the region.

The CEO of the company, Michael Tobin, and the prime sponsor of the legislation that allowed for the independent data center, Assemblyman John Burzichelli, will be speaking to the investment and the economic development potential created by the new data center. They will be joined by invited representatives of the Casino Reinvestment Development Authority, the New Jersey Department of Community Affairs, Atlantic County government, the Division of Gaming Enforcement, the Casino Control Commission, Spectra Venue Management (the managers of the Atlantic City Convention Center) and local business and labor leaders.

During the Press Briefing Continent 8 will release their promotional video for the Atlantic City Data Center to the public. Following the Press Briefing we will do a simple ribbon cutting and a tour of the data center.
