A set of guidelines into your environment to help adhere to local regulations.

Regulatory compliance is non-negotiable in the betting and gaming industry. The Regul8 Guardrails solution provides operators and suppliers with customised designs and configurations for easy-to-integrate compliance across cloud environments while accelerating time-to-market when expanding into new jurisdictions.

aws PARTNER Solution Provider

Benefits

Jump-start cloud architecture

Understanding and interpreting regulatory requirements and aligning them with technological needs is complex. Benefit from regulated "landing zones" for your cloud environments, which come equipped with preventive and detective controls to promptly meet compliance requirements.

Automated service, optimise resources

The regulatory landscape is constantly changing. With automated updates, maintenance and implementation seamlessly integrated within your environment, resources can be efficiently directed toward value-adding activities.

Why Continent 8?

Unrivalled regulatory expertise

Leverage over 25 years of industry experience, best practices and resources to simplify regulated cloud deployments in any jurisdiction.

AWS SPP member

As a member of the exclusive Amazon Web Services (AWS) Solution Provider Program (SPP), we provide a full range of professional services to streamline the management of AWS cloud environments and infrastructures.

AWS-specialised

A dedicated team of 30+ AWS-certified and AWS-trained experts are available to deliver and support high-touch AWS solutions tailored to each customer's unique requirements.
